

## ADDITIONAL ADULT CERTIFICATION

The Manchester Housing and Redevelopment Authority (MHRA) Housing Choice Voucher Administration Plan states that no adult person(s) other than those listed on the lease and application shall live/stay in the unit. No guests or visitors shall be permitted in excess of fourteen (14) days in any calendar year without written consent of the landlord and Manchester Housing and Redevelopment Authority and, such stay shall not be permitted in excess of fourteen (14) days, except tenant may care for foster children or provide live-in care for a member of the tenant's family for no longer than fourteen (14) days with the prior written consent of the landlord and Manchester Housing and Redevelopment Authority. This is to ensure that the Total Tenant Payment is accurately based on the total monthly income of that tenant and family.

If during the term of the lease any person(s) other than those listed on the lease, live/stay for fourteen (14) days or more in any calendar year, I agree to contact the Manchester Housing and Redevelopment Authority with the additional information. I realize that failure to do this could result in an eviction, lifetime loss of eligibility for housing assistance due to failure to meet program obligations, repayment of the rent and possible theft and fraud charges under state and federal law.

I understand the above statement. There is no other adult living/staying in the unit now other than whose name is on the application and lease. I agree to notify the Manchester Housing and Redevelopment Authority if this should change.

I received a copy of this Additional Adult Certification with my signature.
